

Eng. Mirela AGAPIE

Ph.D. student, Transilvania University of Brasov, Faculty of Materials Science and Engineering, Department of Materials Science, Romania

Scientific fields: Materials science, Materials engineering

E-mail: agapiemirela@yahoo.co.uk

Ph.D. Eng. Vassil BOGEV

Associate Professor, Technical University of Sofia, Faculty of Mechanical Engineering, Department of Precision Engineering and Measuring Instruments, Bulgaria

Scientific fields: Metrology, Measurement of linear and angular dimensions, Uncertainty of measurement, Quality management

E-mail: bogev@tu-sofia.bg

Ph.D. Eng. George CHERVENDINEV

Associate Professor, Technical University of Sofia, Faculty of Mechanical Engineering, Department of Engineering Design, Bulgaria

Scientific fields: Engineering design, Modelling, Ergonomics

E-mail: chervendinev@tu-sofia.bg

Ph.D. Eng. Romeo CIOARĂ

Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Engineering and Industrial Management, Romania

Scientific fields: Cold forming machine-tools, Kinematics of machine-tools, Applied inventics

E-mail: cioarar@unitbv.ro

Eng. Radu Francisc COTERLICI

Ph.D. student, Transilvania University of Brasov, Faculty of Materials Science and Engineering, Department of Materials Science, Romania

Scientific fields: Materials science, Materials engineering

E-mail: coterliciradufrancisc@yahoo.com

Ph.D. Eng. Adela-Eliza DUMITRASCU

Associate Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Manufacturing Engineering, Romania

Scientific fields: Reliability engineering, Integrated management system, Quality engineering

E-mail: dumitrascu_a@unitbv.ro

Eng. Stoyna ELKINA

S.M., Technical University of Sofia, Faculty of Mechanical Engineering, Department of Engineering Logistics, Bulgaria

Scientific fields: Management and organization of industrial transport

E-mail: tony.elkina@gmail.com

Ph.D. Eng. Virgil GEAMĂN

Professor, Transilvania University of Brasov, Faculty of Materials Science and Engineering, Department of Materials Science, Romania

Scientific fields: Hot plastic deformation of metals, Hot isostatic processing, Metallic foams, Unconventional technologies in materials science

E-mail: geaman.v@unitbv.ro

Ph.D. Eng. Boriana ILIEVA

Assistant Professor, Technical University of Sofia, Faculty of Mechanical Engineering, Department of Fundamentals and Technical Means of Design, Bulgaria

Scientific fields: Standardization, Certification of production, Quality management system, Conformity assessment

E-mail: bilieva@tu-sofia.bg

Ph.D. Eng. Nikolai KAZAKOV

Associate Professor, Technical University of Sofia, Faculty of Mechanical Engineering, Department of Engineering Logistics, Bulgaria

Scientific fields: Logistics, Modelling, Logistics design, Placement of objects, Layout, Forecasting

E-mail: nkazakov@tu-sofia.bg

Ph.D. Eng. Georgi KIUCHUKOV

Professor, University of Forestry, Faculty of Forest Industry, Sofia, Bulgaria

Scientific fields: Standardization, Certification of production

E-mail: borislav65@abv.bg

Ph.D. Eng. Petko NEDYALKOV

Assistant Professor, Technical University of Sofia, Faculty of Mechanical Engineering, Department of Machine Elements and Non-metallic Constructions, Bulgaria

Scientific fields: Machine dynamics, CAD, Processing machines, Process and machine analysis

E-mail: nedpetko@tu-sofia.bg

Eng. Alexi NICOLOV

M. Eng., Technical University of Sofia, Faculty of Mechanical Engineering, Department of Engineering Logistics, Bulgaria

Scientific fields: Management and organization of industrial transport

E-mail: alexi.nicolov@gmail.com

Ph.D. Eng. Alexandru PASCU

Postdoctoral student, Transilvania University of Brasov, Faculty of Materials Science and Engineering, Department of Materials Engineering and Welding, Romania

Scientific fields: Laser welding, Laser cladding, Materials science

E-mail: pascu.alex@yahoo.com

Ph.D. Eng. Hristo RADEV

Professor, DSc, Technical University of Sofia, Faculty of Mechanical Engineering, Department of Precision Engineering and Measuring Instruments, Bulgaria Scientific fields: Measurement of linear and angular dimensions, Uncertainty of measurement, Quality management

E-mail: hradev@tu-sofia.bg

Ph.D. Eng. Ionuţ Claudiu ROATĂ

Researcher, Transilvania University of Brasov, Faculty of Materials Science and Engineering, Department of Materials Engineering and Welding, Romania Scientific fields: Flame coating, Laser cladding, Materials science

E-mail: r.i.claudiu@gmail.com

Ph.D. Eng. Simeon SAVOV

Assistant Professor, University of Mining and Geology "St. Ivan Rilski" of Sofia, Faculty of Mining Electromechanics, Department of Mining Mechanization, Bulgaria

Scientific fields: Mining mechanisation, Mining machines, Processing machines E-mail: ss.ss@abv.bg

Ph.D. Eng. Elena Manuela STANCIU

Postdoctoral student, Transilvania University of Brasov, Faculty of Materials Science and Engineering, Department of Materials Engineering and Welding, Romania

Scientific fields: Laser welding, Laser cladding, Materials science

E-mail: elena.manuela.stanciu@gmail.com

Ph.D. Eng. Béla VARGA

Professor, Transilvania University of Brasov, Faculty of Materials Science and Engineering, Department of Materials Science, Romania

Scientific fields: Processing of aluminium, zinc and copper alloys, Analysis of aluminium alloys

E-mail: varga.b@unitbv.ro

Ph.D. Eng. Velizar VASSILEV

Senior Lecturer, Technical University of Sofia, Faculty of Mechanical Engineering, Department of Precision Engineering and Measuring Instruments, Bulgaria

Scientific fields: Measurement of linear and angular dimensions, Uncertainty of measurement, Quality management

E-mail: vassilev@tu-sofia.bg

Ph.D. Eng. Milka Doncheva VICHEVA

Associate Professor, Technical University of Sofia, Faculty of Mechanical Engineering, Department of Fundamentals and Technical Means for Design, Bulgaria

Scientific fields: Technical legislation and standardization, Standardized management systems, CAD in mechanical and electronic engineering

E-mail: mvicheva@tu-sofia.bg
